

P.S. The committee refused I have in
Bel Taber at Haber Psychologist
720-2299 - I told Larry about
her - the card that he has already
met with her ??

Murder

Chase, I was able to reach
Larry Marble at his brother's
house 722-5565. The card
that he has has yesterday told
at 6:00 p.m. When I told
him about the exam on Monday
at 10:00 - the card "I have
already been there twice - I
don't have to make it more.
Government for me" (English)
that the exam was important
for the welfare of his child and
the case - covered him when
I asked not do pay more (the card
that is what they referred at the
hospital). He reluctantly agreed
to be here on Monday - but
wants you to call him first.

— Scheduled medical w/ 7/19/93/1000
Dr Ed Cox, 7-19-93-10:30am..

Spoke with Larry Marble re:
medical & counseling followup —
& any concerns re: case status, etc..

Spoke briefly with Lakeysha prior
to medical exam. Introducing R/O to
her. —

Lakeysha advised she had been
"making" stuff". Then man with
lipstick "dragged" her inside his apt.
into back BR. Her clothes off / his
off got on top of her.
What part his body touching your
body. — "Mostly his hands" on her
"private".

Brother came in room — lipstick
brother told other brother to hold
her down — he refused. & brother
(no lipstick) dragged her out of BR
to LR where he held her down
& "rubbed" her chest.

Why hold you down?

"He thought his brother still wanted
him to". Did he want him to? "No"

Describing Lipstick Brother making her
Play video — stripe poker — Ting her @ X.
Touching her at times.

Then lipstick brother was "licking my private".

Brother left and came back — unclear from Lakeyskas at what point this took place.

Due to numerous earlier graphic interviews with Lakeyskas, R/o did not want to cause additional mental trauma, so a graphic detailed interview was not done with R/o.

Date Completed: 07-15-93

Nature of Offense:

Criminal Sexual Conduct

Victim:

LAKEYSHA CAGE, B/F

Suspect:

STEPHEN DENNIS TURNER, W/M, 12/20/62
DANIEL ARTHUR TURNER, W/M, 09/14/57

Evidence Received and Examinations Conducted: (Placed in cold vault #1 on 7-9-93 at 1:10 p.m. by G. Moore. Taken from vault #1 on 7-13-93 at 3:20 p.m. by A. Hunt)

One sealed sexual assault evidence kit holding the following evidence (#1-7) from Lakeysha Cage.

- #1. One sealed envelope identified as "blood sample".
 - Blood grouping studies conducted by Rodney Wolfarth showed Group O, Lewis (a-b+).
- #2. One sealed envelope identified as "saliva sample".
 - No examinations were conducted on the saliva sample at this time.
- ✓ #3. Similar envelope identified as "oral swabs".
 - Chemical tests did not indicate the presence of any seminal fluid on the oral swabs.
- ✓ #4. One slide holder identified as "oral smears".
 - Microscopic examination did not show the presence of any spermatozoa on the oral smears.
- (✓) #5. One sealed envelope identified as "pulled head hair".
 - Item 5 is a known hair sample which was used for comparison purposes.
- ✓ #6. Similar envelope identified as "pubic combings".
 - No Caucasian hairs were noted in the pubic combings.
- ✓ #7. Similar envelope identified as "head combings".
 - No foreign hairs were noted in the head combings.

Evidence Received and Examinations Conducted Continued:

One stapled brown paper bag containing the following items (8-10)

- ✓ #8. One pink, green, peach, and white shirt.
 - No seminal stains or Caucasian hairs were noted on the shirt. A portion of stained area on the collar was removed and submitted to Robert Birr for possible lipstick identification.
- #9. One pair of blue-green "Bum Wraps" jeans.
- ✓ #10. One pair of blue-green and white panties.
 - No seminal stains, Caucasian hairs or lipstick stains were noted on items 9-10.

One sealed sexual assault evidence kit containing the following items allegedly from Stephen Turner (#11-17).

- #11. One sealed envelope identified as "blood sample".
 - Blood grouping studies conducted by Rodney Wolfarth showed Group O, Lewis (a-b+).
- #12. One envelope identified as "saliva sample"
 - No examinations were conducted on the saliva sample at this time.
- #13. One envelope identified as "pulled pubic hair".
 - Item 13 is a known hair sample which was used for comparison purposes.
- #14. One envelope identified as "pubic hair combings".
- ✓ #15. One envelope identified as "head hair combings".
 - No Negroid hairs were noted on items 14-15.
- #16. One envelope identified as "miscellaneous".
 - Numerous hairs characteristic of Caucasian head hairs were submitted in item 16.
- #17. One envelope identified as "saliva".
 - No examinations were conducted on item 17.

One sealed criminal sexual conduct kit containing the following items allegedly from Daniel Turner (#18-23).

- #18. Three vials of blood.
 - Blood grouping studies conducted by Rodney Wolfarth showed Group O, Lewis (a-b+).
- #19. One envelope identified as "saliva".
 - No examinations were conducted on the saliva sample at this time.
- #20. One envelope identified as "saliva".
 - No examinations were conducted on item 20.
- #21. One envelope identified as "pulled pubic hair".
- #22. One envelope identified as "pulled head hair".
 - Items 21 and 22 are known hair samples which were used for comparison purposes.
- ✓ #23. One envelope identified as "pubic hair combings".
 - No Negroid hairs were noted in item 23.

LABORATORY REPORT

Laboratory No.: 32167-93 Supp.
Received By : ANN M. HUNT
Delivered By : Christine Karpowicz
Agency : Grand Rapids Police Dept.
Agency No. : 93-61803

Record No. : 3052.93
Date Received : 07-23-93
Time Received : 09:18 AM
File Class : 1100-1
Date Completed: 08-18-93

Nature of Offense:

Criminal Sexual Conduct

Victim:

LAKEYSHA CAGE

Suspect:

DANIEL A.E. TURNER, W/M, 09/14/57
STEPHEN D. TURNER, W/M, 12/20/62

Evidence Received and Results:

One cardboard box containing the following items (#24-40):

One stapled brown paper bag containing the following items identified as "bedroom trash" (#24-25):

- 24 - One brown paper bag holding miscellaneous papers, tissues, and other apparent trash.
- 25 - One brown paper bag holding one white plastic bag holding numerous tissues.
- No examinations were conducted on items 24-25.

One stapled brown paper bag containing the following items identified as "kitchen trash" (#26-28):

- 26 - One stapled brown paper bag containing two stained tissues.
- 27 - One stapled brown paper bag identified as "bathroom trash" containing tissue and a cardboard toilet paper roll.
- Items 26 and 27 were turned over to Robert Birr for examination.
- 28 - One stapled brown paper bag identified as "kitchen trash" containing numerous tissues, paper, and miscellaneous items.
- No examinations were conducted on item #28.

One stapled brown paper bag containing the following items (#29-31):

- ✓ 29 - One "Vivitar" camera case and camera.
- ✓ 30 - One stapled brown paper bag holding a second stapled brown paper bag holding one butter knife.
- No examinations were conducted on items 29-30.
- ✓ 31 - One stapled brown paper bag holding one pair of white panties.
- No hairs or seminal stains were noted on the panties. UTS

Evidence Received and Results Continued:

One stapled brown paper bag containing a second stapled brown paper bag holding the following items allegedly from Stephen Turner (#32-36):

- 32 - One pair of blue "Cons" tennis shoes.
- 33 - One pair of white socks.
- 34 - One pair of red underwear.
- 35 - One pair of multicolored pants.
- 36 - One blue shirt.

- No Negroid hairs were noted in items 32-36.

One stapled brown paper bag containing the following items (#37-40):

- 37 - One pink pillowcase.
 - A portion of stained area was turned over to Robert Birr for examination. No Negroid hairs or seminal stains were noted on the pillowcase.
- 38 - One white pillowcase.
- 39 - One brown, rust and white pillowcase.
- 40 - One green and white pillowcase.

- No Negroid hairs or seminal stains were noted on items 38-40.

41 - One stapled brown paper bag holding two plastic cups containing numerous makeup items.

- Item 41 was turned over to Robert Birr for examination.

One cardboard box containing the following items (#42-52):

One stapled brown paper bag containing the following items (#42-48):

- 42 - One plastic bag with a tag requesting no processing be performed.
 - No examinations were conducted on item 42.
- 43 - One pair of black nylons.
- 44 - One pink bra.

- No Negroid hairs were noted on items 43-44.

One stapled brown paper bag containing the following items identified as "items near living room mattress" (#45-48):

- 45 - One white shirt.
 - Chemical tests indicate the presence of seminal fluid on the shirt. Microscopic examination of prepared extracts of the stained areas showed the presence of spermatozoa. Portions of pink stained areas were turned over to Robert Birr for examination.

- 46 - One pair of beige panties.
- 47 - One pair of lavender and blue panties.
- 48 - One pair of pink and black underwear.

- No Negroid hairs or seminal stains were noted on items 46-48.

Evidence Received and Results Continued:

One stapled brown paper bag holding the following items allegedly from Daniel Turner (#49-51):

49 - One pair of white tennis shoes.

50 - One pair of Lee blue jeans.

51 - One white shirt.

- No Negroid hairs were noted on items 49-51.

✓ 52 - One plastic bag holding one blue and red comforter.

- No Negroid hairs or seminal stains were noted on the comforter.

One cardboard box containing the following items (#53-54):

LR 53 - One multicolored sleeping bag.

LR 54 - One pale green blanket.

→ - Chemical tests indicate the presence of seminal stains on items 53-54. Microscopic examination of prepared extracts of the stained areas showed the presence of spermatozoa. No Negroid hairs were noted on items 53-54.

No further examinations will be conducted on the seminal stains until a request is made by the prosecutor's office or submitting agency.

Items 26, 27, 41 and portions of items 37 and 45 were turned over to Robert Birr of the Micro-Chemical Unit on 8-16-93 at 2:51 p.m. The remainder of the evidence is being stored on Shelf 2-15 of Vault #2 for the submitting agency to pick up.
